

Status: Open to the public, limited only by the space available. The meeting room accommodates approximately 100 people.

Purpose: To provide an overview of the implementation of the mortality study, and to exchange information among government, stakeholders, and interested parties on procedural and related aspects of the study.

Matters To Be Discussed: The agenda will include information on the NIOSH/NCI research plan; request for information on industrial hygiene sample measurements or other data, or possible sources of such data that could add to the study validity; request for information on types and usage of diesel engines and fuel of relevance to exposure estimation; plan for data sharing and announcement of future informational meetings. Viewpoints and suggestions from industry, labor, academia, other government agencies, and the public are invited. Written comments will also be considered.

Contact Person For Additional Information: Michael Attfield, Ph.D., NIOSH Project Director, Division of Respiratory Disease Studies, NIOSH, CDC, M/S 234, 1095 Willowdale Road, Morgantown, West Virginia 26505-2888, telephone 304/285-5737, E-mail mda1@cdc.gov.

Individuals wishing to make an oral statement should contact Dr. Attfield so that time can be allocated.

Dated: August 19, 1997.

Carolyn J. Russell,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC).

National Vaccine Advisory Committee

National Vaccine Advisory Committee (NVAC), Subcommittee on Vaccine Safety, Subcommittee on Immunization Coverage, Subcommittee on Future Vaccines, and the Advisory Commission on Childhood Vaccines (ACCV) Subcommittee on Vaccine Safety: Meetings.

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following Federal advisory committee meetings.

Name: National Vaccine Advisory Committee (NVAC).

Times and Dates: 9 a.m.-12:30 p.m., September 8, 1997; 8:30 a.m.-12 noon, September 9, 1997.

Place: Hubert H. Humphrey Building, Room 303A, 200 Independence Avenue, SW, Washington, DC 20201.

Status: Open to the public, limited only by the space available.

Notice: In the interest of security, the Department has instituted stringent procedures for entrance to the Hubert H. Humphrey Building by non-government employees. Thus, persons without a government identification card should plan to arrive at the building each day either between 8 and 8:30 a.m. or 12:30 and 1 p.m. so they can be escorted to the meeting. Entrance to the meeting at other times during the day cannot be assured.

Purpose: This committee advises and makes recommendations to the Director of the National Vaccine Program on matters related to the Program responsibilities.

Matters To Be Discussed: Agenda items will include a National Vaccine Program Office (NVPO) update; discussions on immunization coverage: Strategies to sustain success; accountability for immunization: Closing the gaps; immunization registries: Workshop plans; vaccine safety datalink: Local and national perspectives; surveillance for adverse events following vaccination: Options for funding; mucosal vaccines: Status, potential and current research; utilization of non-traditional sites for adult immunization; IPV/OPV: Impact of revised recommendations on coverage; clarifying harmonization of package labeling and recommendations of advisory groups. There will be an update on plans to address concerns following the Edmonston-Zagreb Measles Vaccine Investigation in Los Angeles, California. Also, there will be reports from the work group on philosophic objections; reports from the Subcommittee on Immunization Coverage; Subcommittee on Future Vaccines; and the Subcommittee on Vaccine Safety.

Name: Subcommittee on Immunization Coverage.

Time and Date: 1:30 p.m.-5 p.m., September 8, 1997.

Place: Hubert H. Humphrey Building, Room 423A, 200 Independence Avenue, SW, Washington, DC 20201.

Status: Open to the public, limited only by the space available.

Purpose: This subcommittee will identify and propose solutions that provide a multifaceted and holistic approach to reducing barriers that result in low immunization coverage for children.

Matters To Be Discussed: This subcommittee will hold a discussion on the review of recommendations from the document, "Strategies to Sustain Immunization Coverage", and the finalization of those recommendations.

Name: Subcommittee on Future Vaccines.

Time And Date: 1:30 p.m.-5 p.m., September 8, 1997.

Place: Hubert H. Humphrey Building, Room 405A, 00 Independence Avenue, SW, Washington, DC 20201.

Status: Open to the public, limited only by the space available.

Purpose: The Subcommittee on Future Vaccines will develop policy options and guide national activities which will lead to accelerated development, licensure, and best use of new vaccines in the simplest possible immunization schedules.

Matters To Be Discussed: This subcommittee will hold discussions regarding the Cold Spring Harbor Report; combination vaccines, strategic options; and defining future vaccines policy issues for traveler's vaccines.

Name: Subcommittee on Vaccine Safety and the Advisory Commission on Childhood Vaccines, Subcommittee on Vaccine Safety.

Time And Date: 1:15 p.m.-4:45 p.m., September 9, 1997.

Place: Hubert H. Humphrey Building, Room 303A, 200 Independence Avenue, SW, Washington, DC 20201.

Status: Open to the public, limited only by the space available.

Purpose: This joint NVAC/ACCV subcommittee will review issues relevant to vaccine safety and adverse reactions to vaccines.

Matters To Be Discussed: This subcommittee will hold discussions regarding the vaccine safety subcommittee goals; a report from the Task Force on Safer Childhood Vaccines; a project report on benefit-risk communication curriculum development; and agenda items for next meeting.

Agenda items are subject to change as priorities dictate.

Contact Person For More Information: Felecia D. Pearson, Committee Management Specialist, NVPO, CDC, 1600 Clifton Road, NE, M/S D50, Atlanta, Georgia 30333, telephone 404/639-7250.

Dated: August 18, 1997.

Nancy C. Hirsch,

Acting Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC).
